

The background of the book cover is a dramatic, swirling illustration of fire and smoke. A central, partially obscured skull is surrounded by a ring of fire. Above the skull, a bright, glowing blue and white circular light source, resembling a celestial body or a portal, is visible through the smoke. The overall atmosphere is one of hellish torment and divine mystery.

If you read this little book you will find various illustrations of seals, by which the devils of Hell are invoked, to make them come when you will, and to bring whatever is asked: providing that they are content on their part; for this sort of supernatural being does not give anything for nothing. In the first part I will explain the means of calling forth lesser devils of the Inferno, according to their powers and abilities.

In the second part you will find the manner to make and use seals by which the power of the Daemons may be called forth for any purpose.

To Invoke the Spirits

When you desire to call forth the lesser devils or the powerful Daemons, you need only invoke them by their seals drawn on new parchment paper during a crescent Moon on the day and in the hour of Mars; which is Tuesday, a quarter of an hour before sunrise. And when you wish them to hear your call, to have them serve you, it is only necessary to burn their seals in the flames of a black candle.

There are three powers: Lucifer, Beelzebuth and Astaroth, and you must carry the character of one with you to command the immediate obedience of lesser devils.

Seals are to be written in your own blood, or red ink. You write beneath the seals the first letter of your name and surname. And if you wish more, you may draw the seal on an emerald or ruby for, it is written, they have sympathy for the spirits who are the most knowledgeable.

If you are male; carry the seal in your right pocket, if female between the breasts, and write or have engraved the seal on the day and in the hour of Mars. Obey the spirits in this, and they will obey you.

Conjuration for Inferior Spirits

OSURMY, DELMUSAN, ATALSLOYM, CHARUSIHOA, MELANY, LIAMINTHO, COLEHON, PARON, MADOIN, MERLOY, BULERATOR, DONMEDO, HONE, PELOYM, IBASIL, MEON, ALYMDRICTELS, PERSON, CRISOLSAY, LEMON SESSLE NIDAR HORIEL PEUNT, HALMON, ASOPHIEL, ILNOSTREON BANIEL, VERMIAS, SLEVOR, NOELMA, DORSAMOT, LHAVALA, OMOR FRAMGAM, BELDOR, DRAGIN.

Come, (Name of Spirit), accept this offering and fulfil my commands, as I send this seal to the fires of Hell, being powerless to do harm unto me, or any person whomsoever, either in body or soul.

Now burn the seal, as it will serve you only once. As the magick seal burns, ask the Spirit what you will, and then speak the following words:

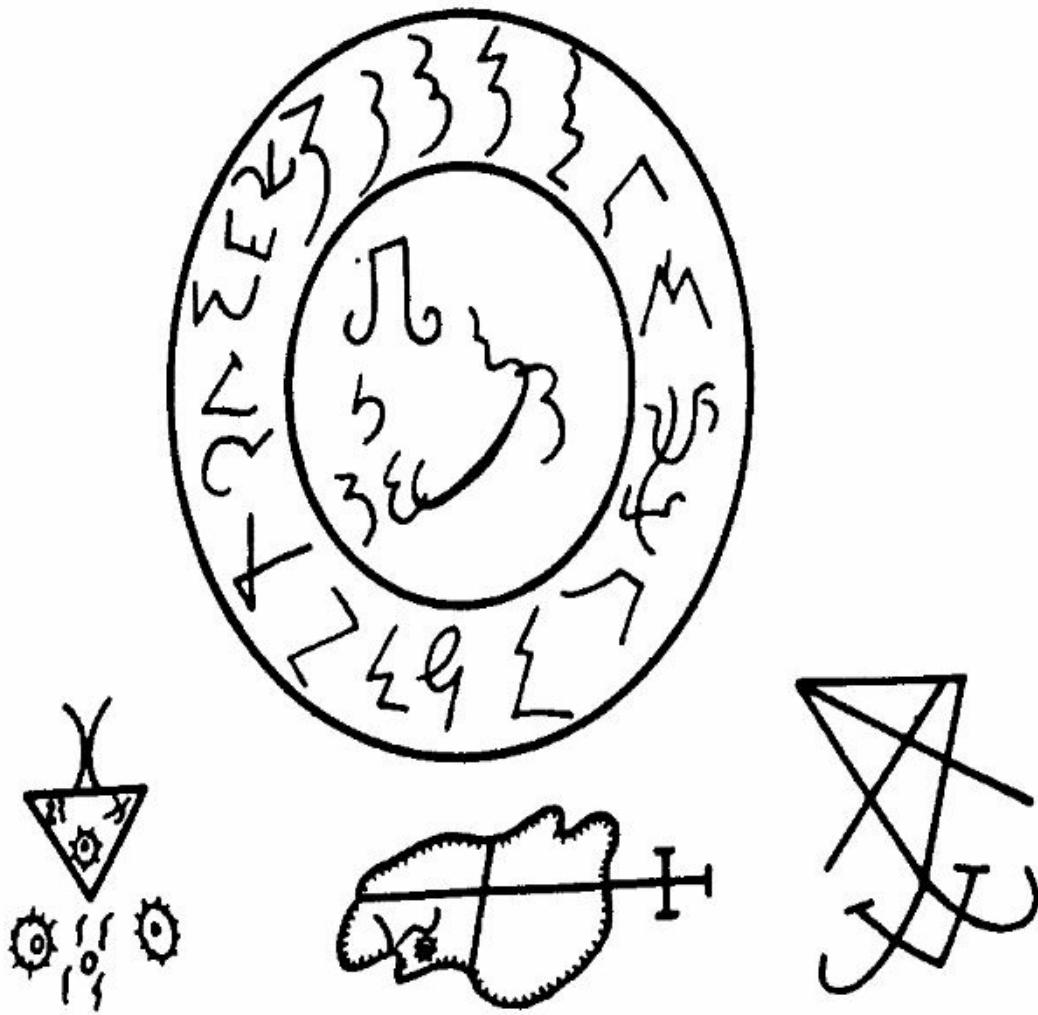

Go in peace unto your abode.

Let there be peace between you and I.

Be ready to come to me when you are called.

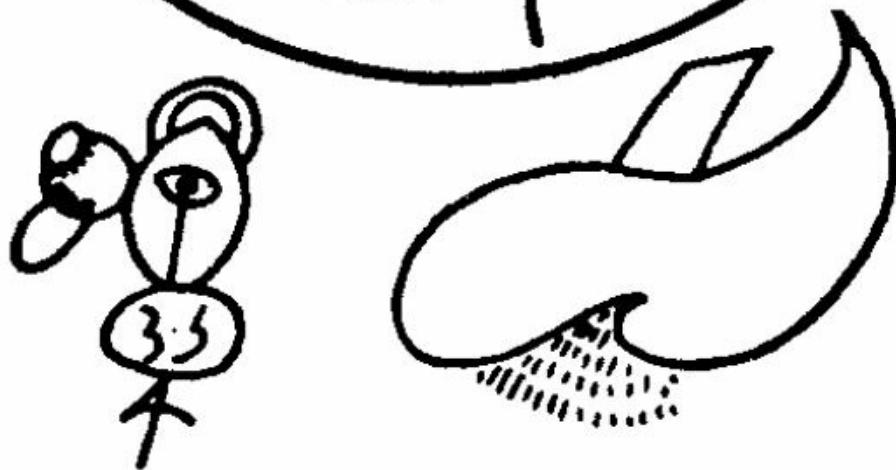

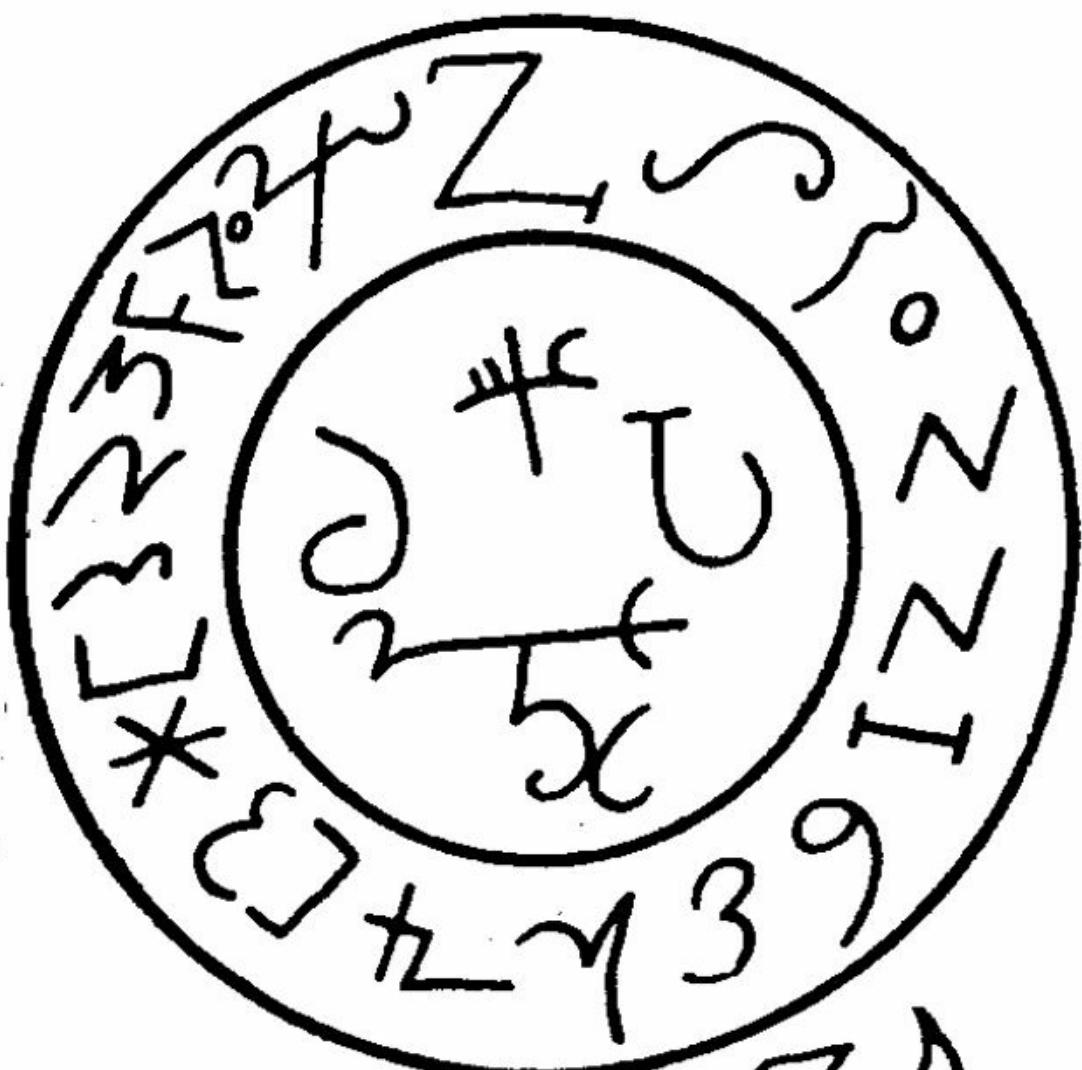

So be it.

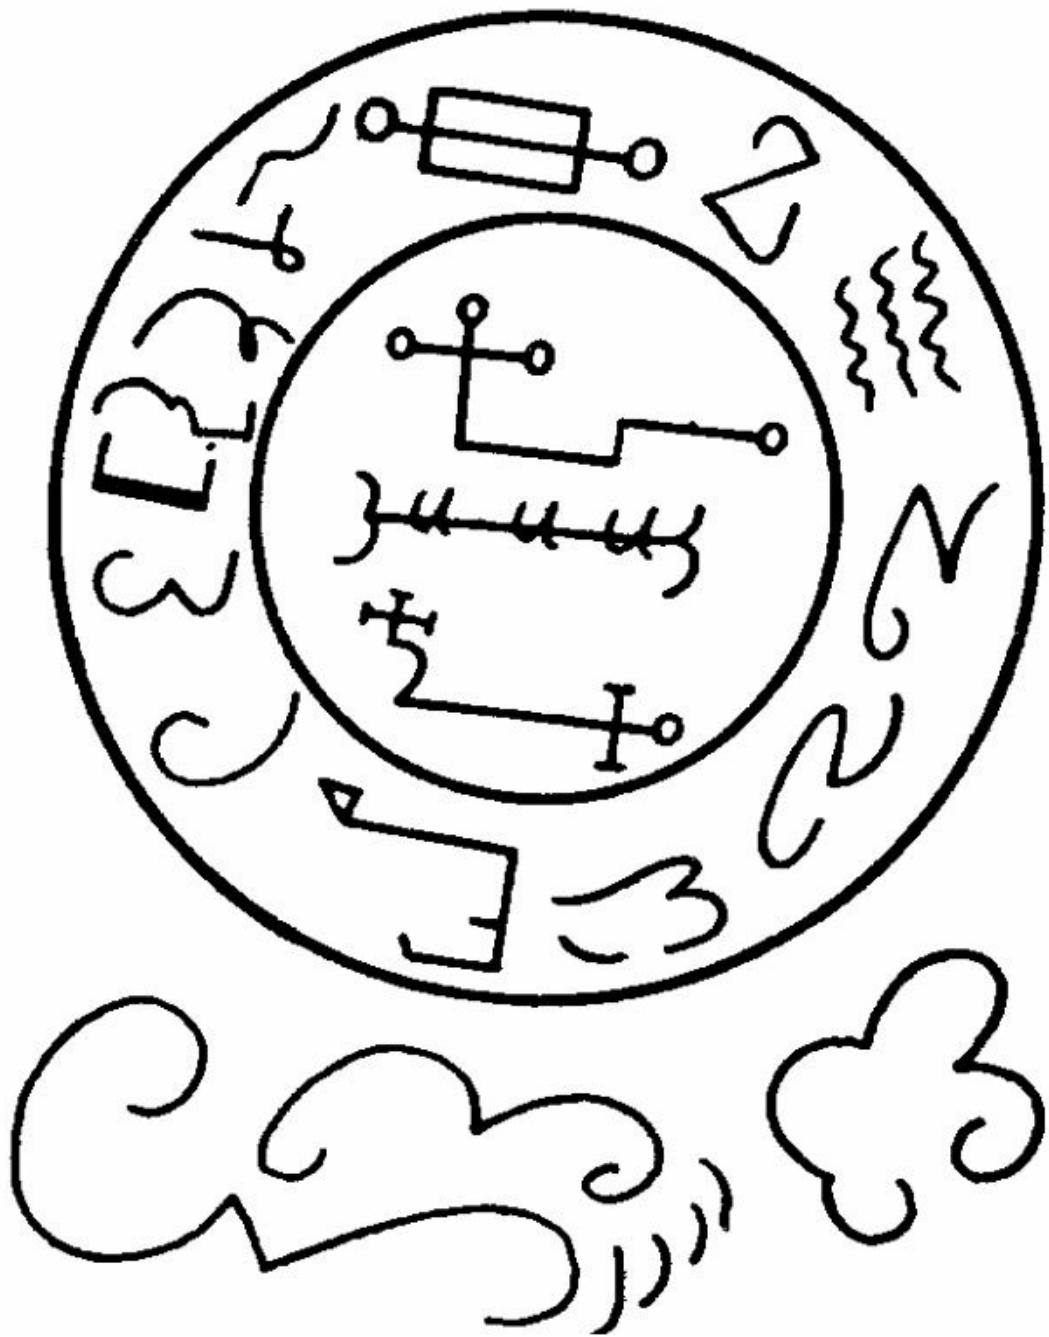

The Daemons have special conjurations of their own, all else remains the same.

The Seal of Lucifer.

The following are those of Beelzebuth and Astaroth.

These are the characters of thirteen inferior spirits:

GULAND

Draw a line around the character when creating the seals of inferior spirits.

The Powers and Offices of Lesser Devils as Listed in the Grimoirium Verum

CLAUNECK has power over riches, can cause treasures to be found. He can give great riches to he who makes a pact with him. It is Clauneck who causes money to be brought. (To be called forth in Lucifer's Name, using the seal and words on Page 14 - C.N.)

KHIL makes great earthquakes.

MERSILDE has the power to transport anyone in an instant, anywhere.

CLISTHERT allows you to have day or night, whichever you wish, when you desire either.

SIRCHADE makes you see all sorts of natural and supernatural animals.

HICPACTH will bring you a person in an instant, though he be far away.

HUMOTS can bring you any book you desire.

SEGAL will cause all sorts of prodigies to appear.

FRUCISSIONE revives the dead.

GULAND causes all illnesses.

SURGAT opens every kind of lock.

MORAIL can make anything invisible.

FRUTIMIERE prepares all kinds of feasts for you.

HUICHIIGARAS causes sleep in the case of some, and insomnia in others.

These spirits are of great advantage, and will work quickly if they are pleased with you.

The Seal of Lucifer

This experiment is commonly performed between 11pm and midnight , or between 3am and 4am on a Monday. Lucifer can grant any desire. You will need parchment paper, your own blood or red ink to create the seal, about which these words must be written: I forbid thee, Lucifer, in the name of the Most Holy Trinity, to enter within this circle. You must recite the words of the Conjunction in commanding manner.

CONJURATION

I conjure thee, Lucifer, by the living God, by the true God, by the holy God, who spake and all was made, who commanded and all things were created and made! I conjure thee by the ineffable name of God, ON, ALPHA and OMEGA, ELOY, ELOYM, YA, SADAY, LUX, MUGIENS, REX, SALUS, ADONAY, EMMANUEL, MEssIAS; and I adjure, conjure, and exorcise thee by the names which are declared under the letters V, C, X.

And also by the names JEHOVAH, SOL, AGLA, RIFFAs0RIs, ORIsT0N, ORPHITNE, PHATON, IPRETU, OCIA, SPI-RATON, IMAGON, AMUL, PENATON, SOTER, TETRAGRAMMATON, ELOY, PREMOTON, SITMON, PERIGARON, IRATATON, PLEGATON, ON, PEROHIRAM, TIROS, RUBIPHATON, SIMULATON, PERPI, KLARIMUM, TREMENDUM, MERAY, and by the Names: GALL, ENGA, EL,

HABDANUM, INGODUM, OBU ENGLABIS, do thou make haste to come, or send me Clauneck, so that he may accept this offering, and grant unto me riches as I send this seal to the fires of Hell.

The Seal of Frimost

This experiment is performed from 9pm to 10pm on a Tuesday. His office is to control the minds of women and girls. Proceed as on Monday; compose the seal, and write about it:

Obey me, Frimost! Obey me, Frimost! Obey me, Frimost!

CONJURATION

I conjure and command thee, Frimost, by all the names wherewith thou canst be constrained and bound! I exorcise thee, Nambroth, by thy name, by the virtue of all spirits, by all seals, by the Jewish, Greek, and Chaldean conjurations, by the confusion and malediction, and I will redouble thy pains and torments from day to day for ever, if thou not accept this offering and accomplish my will as I send this seal to the fires of Hell, being powerless to do harm unto me, either in body or soul.

The Seal of Astaroth

This experiment is performed between 10pm and 11pm on a Wednesday; it is designed to obtain money and the good graces of Astaroth. Write in the circle as follows:

Come, Astaroth! Come, Astaroth! Come, Astaroth!

CONJURATION

I conjure thee, Astaroth, wicked spirit, by the words Christ of Nazareth, unto whom all demons are submitted, who was conceived of the Virgin Mary; by the mystery of the Angel Gabriel, I conjure thee; and again in the name of the Father, and of the Son, and of the Holy Ghost; in the name of the glorious Virgin Mary, and of the Most Holy Trinity, in whose honour do all the Archangels, Thrones, Dominations, Powers, Patriarchs, Prophets, Apostles, and Evangelists sing without end; Hosannah, Hosannah, Hosannah, Lord God of Hosts, who art, who wast, who art to come, as a river of burning fire! Neglect not my commands, refuse not to come.

Come, therefore, promptly, accept this offering and obey my will, as I send this seal to the fires of Hell, being powerless to do harm unto me, or any person whomsoever, either in body or soul.

The Seal of Silcharde

This experiment is made at night, from three to four o'clock on a Thursday, at which hour Silcharde is called, and appears in the form of a King. A little bread must be eaten when the seal is burned in the candle flame. His office is to make men happy and bring treasures. Write about the seal as follows:

Holy God! Holy God! Holy God!

CONJURATION

I conjure thee, Silcharde, by the image and likeness of Jesus Christ our Saviour, whose death and passion redeemed the human race, who also wills that, by His providence, thou appear forthwith in this place.

I command thee to accept this offering - I adjure and constrain thee by his Holy Name, by Him who walked upon the asp, who crushed the lion and the dragon.

Do thou obey me, and fulfil my commands, as I send this seal to the fires of Hell, being powerless to do harm unto me, or any person whomsoever, either in body or soul.

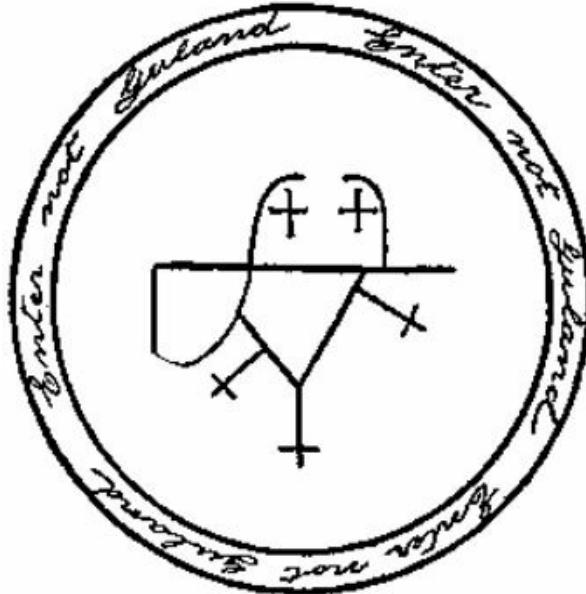

The Seal of Bechard

This experiment is performed at night from eleven to twelve o'clock on a Friday, and a hazel nut must be eaten when the seal is burned in the candle flame. His office is to create storms and tempests. Write within the circle:

Come, Bechard! Come, Bechard! Come, Bechard!

CONJURATION

I conjure thee, Bechard, and constrain thee, in like manner, by the Most Holy Names of God, ELOY, ADONAY, ELOY, AGLA, SAMALABACTAY, which are written in Hebrew, Greek and Latin; by all the sacraments, by all the names written in this book; and by him who drove thee from the height of Heaven. I conjure and command thee by the virtue of the Most Holy Eucharist, which hath redeemed men from their sins; I conjure thee to come without any delay, to do and perform all my biddings, and to accept this offering without any prejudice to my body or soul, and to obey my will, as I send this seal to the fires of Hell, being powerless to do harm unto me.

The Seal of Guland

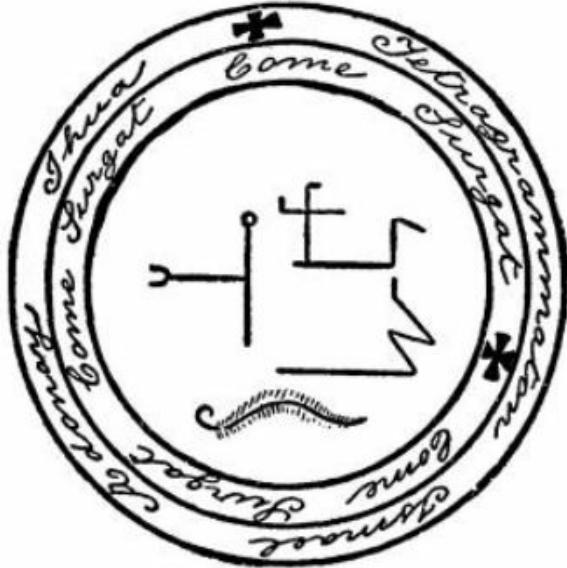

This experiment is performed at night from eleven to twelve o'clock on a Saturday, and a piece of toast must be eaten when the seal is burned in the candle flame. Ask anything you will, and he will obey you on the spot. Write in his circle:

Enter not, Guland! Enter not, Guland! Enter not, Guland!

CONJURATION

I conjure thee, O Guland, in the name of Satan, in the name of Beelzebuth, in the name of Astaroth, and in the name of all other Spirits, to make haste and appear before me. Come, then in the name of Satan and in the names of all other demons. Come to me, I command thee, in the name of the Most Holy Trinity. Come without inflicting any harm upon me, without injury to my body or soul, without maltreating my books, or anything which I use.

I command thee to appear without delay, or, that failing, to send me forthwith another Spirit having the same power as thou hast, who shall accept this offering and obey my will, as I send this seal to the fires of Hell, being powerless to do harm unto me, or any person whomsoever, either in body or soul.

The Seal of Surgat

This experiment is performed at night from eleven to one o'clock on a Sunday.

You must also burn a hair of your head when the seal is burned in the candle flame.

His office is to discover and transport all treasures, and perform anything that you may will. Write in the circle around the seal:

TETRAGRAM MATON, TETRAGRAM MATON, TETRAGRAM MATON. ISMAEL, ADONAY,
IHUA.

And in a second circle:

Come, Surgat! Come, Surgat! Come, Surgat!

CONJURATION

I conjure thee, 0 Surgat, by all the names which are written in this book, to present thyself here before me, promptly and without delay, being ready to obey me in all things, or, failing this, to despatch me a Spirit with a stone which shall make me invisible whensoever I carry it!

And I conjure thee to be submitted in thine own person, or in the person of those whom thou shalt send me, to accept this offering and obey my will, and all that I shall command, as I send this seal to the fires of Hell, being powerless to do harm unto me, or any person whomsoever, either in body or soul.
